

**VILLAGE OF CHEBANSE
POLICE COMMITTEE MEETING
275 S. OAK ST.
OCTOBER 27, 2014**

Present: Trustees LaReau, Snyder, and Mathy, and Attorney Donahue

SUBJECT: Agreement for Police Services

Attorney Donahue provided a rough draft copy of an agreement that he put together based on information he has gathered from other municipalities attorneys.

Items in the agreement were reviewed by everyone, with additions, deletions and changes being made where necessary.

Discussion on why the agreement is needed. The insurance company has requested an agreement, but it's not clear if we have to have it or they are just suggesting that we have an agreement. It was pointed out that other communities with Kankakee County don't have an agreement.

Attorney Donahue stated he would work up a rough draft and should be able to have it ready for the November 3, 2014 meeting for committee members to review and make notes/changes on at which time another committee meeting would be called.

Trustee Mathy stated he would like to look into the need for the agreement more before completing.

A motion to adjourn by Trustee Snyder, second by Trustee LaReau at 7:23 pm

Minutes of the October 27, 2014 Police Committee meeting for the Village of Chebanse respectfully submitted by Clerk Trudie Imhauser as recorded by Trustee Mathy.
