**PUBLIC COMMENT:** Mayor Mathy informed the Board that a formal request for a dead-end street was submitted by Matt and Amy Kelley. The Kelley's addressed the Board about what needed to be done to make S. Locust St. a dead-end street by Casey's gas station. Mayor Mathy stated he was unsure of what all is entailed in making Locust a dead-end. Mayor Mathy stated he would assume the Fire Department would have some say in the matter. Several options for controlling the noise and traffic were discussed.

Landscaping was also discussed. Mayor Mathy asked Attorney Hiatt to research the practicalities of making a street a dead-end and/or a one-way. He also asked James to look into the cost of trees and landscaping. The formal request for a dead-end street will be placed on future agendas, under old business, until a resolution has been reached.
